Highlights:

The Amelia Facial Treatment Table/Chair is a simple to use, lightweight option for your beauty/spa/salon treatments. Crafted with a sturdy frame and luxurious padding, this table is designed to offer maximum comfort during treatments. The Amelia table only weighs 95 lbs and has a backrest and leg rest adjustment, making it comfortable for all users. Additionally, the removable armrests and removable head rest make it easy to for any treatment session. The table also features a breather hole for face down treatments.

Features:

Lightweight – Looking for a versatile and lightweight treatment table? Look no further than the Amelia treatment table/chair. Weighing in at a mere 95 lbs, this table is easy to move around.

Adjustable Headrest – The headrest has an extended adjustment bar so you can customize your client's treatment experience to the perfect level of comfort and posture. The headrest also features a breather hole with pillow cover.

Adjustable Backrest - No more awkwardly adjusting your backrest by hand. With air-gas pump assist, you get the perfect fit every time. With a backrest that adjusts from 0 to 65 degrees, your clients can sit back and relax in perfect comfort.

Adjustable Leg Rest – The adjustable leg rest relieves strain on your lower back and legs, and also increases your overall body alignment. The leg rest adjusts from 0 to 55 degrees.

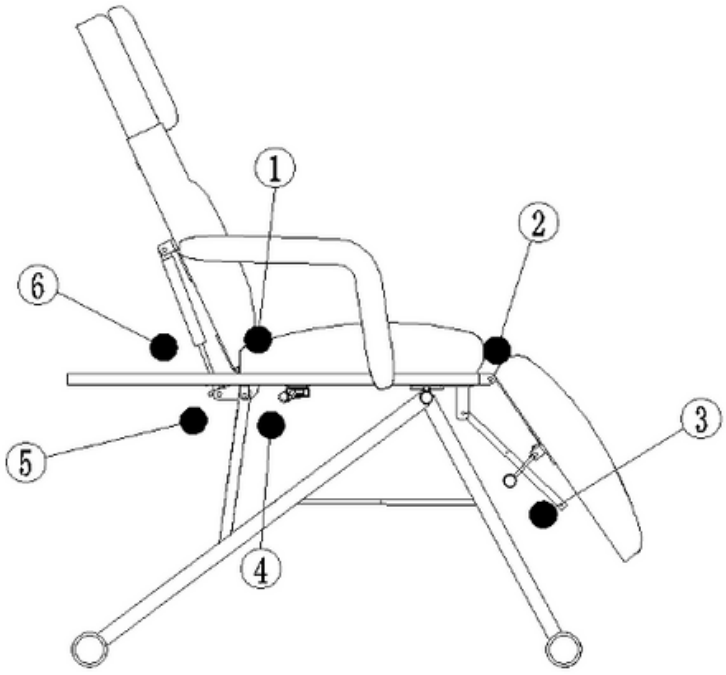

Comfortable Upholstery – When it comes to making sure your treatment table is comfortable, upholstery is key. The Amelia treat table was designed with this in mind. It has high-quality vinyl upholstery which is easy to clean and maintain.

Detachable Armrests – Detachable armrests offer convenience, flexibility, and easy maneuverability. One of the main benefits of detachable armrests is the ability to customize the treatment experience. Additionally, these armrests can make it easier to clean and maintain your chair.
