Highlight

The Cabo Treatment Table is exceptionally sturdy and comfortable. The backrest and leg rest can be easily adjusted with air-gas pump assists on both ends. Beneath the cushions, there is ample storage space for towels, tools, products, and more. It also includes a complimentary face cradle and arm rest, ideal for clients during face-down treatments.

Features

- Free face cradle and arm rest
- Heavy-duty facial table/chair
- Reversible and removable armrests
- Super-duty, stable base

Important Instructions

The Cabo Treatment Table is exceptionally sturdy and comfortable. The backrest and leg rest can be easily adjusted with air-gas pump assists on both ends. Beneath the cushions, there is ample storage space for towels, tools, products, and more. It also includes a complimentary face cradle and arm rest, ideal for clients during face-down treatments.

Cautionary and Suggested Instructions:

1. Before connecting, operating, or adjusting this electric beauty bed, please read the following instructions carefully and retain this manual for future reference.

2. Pinch Points: When using the hand or foot control to adjust the height of the bed, avoid placing your hands, feet, head, or any other body parts in Pinch Points areas as indicated in the photo above.

3. Maintenance must be performed by trained professionals.

IMPORTANT SAFETY INSTRUCTIONS

1. This product should not be used by individuals with osteoporosis or heart conditions.
2. This product is not recommended for pregnant women or those who are menstruating.
3. The product is not suitable for individuals with physical injuries or skin conditions.
4. Children under 14 years of age and individuals with cognitive impairments should not use this product
unsupervised.
5. Use a soft towel with diluted neutral detergent for surface cleaning.
6. Do not disassemble the product without authorization. Please contact the local provider for repair and
maintenance.

MAINTENANCE INSTRUCTIONS

Daily Cleaning
Use a soft, dry towel to wipe away dust.

R**emoving Heavy Dirt**
As we know, it can be difficult to remove heavy dirt with a regular dry towel. In this case, use a soft towel with diluted neutral detergent for cleaning, followed by a dry towel to wipe it down.

Storage and Operating Environment
Do not place the product in direct sunlight or a humid environment, as this may cause damage.

Operating Conditions
This product can be used in temperatures ranging from -5°C to 50°C, with humidity levels between 45% and 85%.

Do Not Use Benzene, Thinner, Gasoline, or Other Solvents
These solvents may damage the leather or cause corrosion to the product’s exterior.

Important Instructions

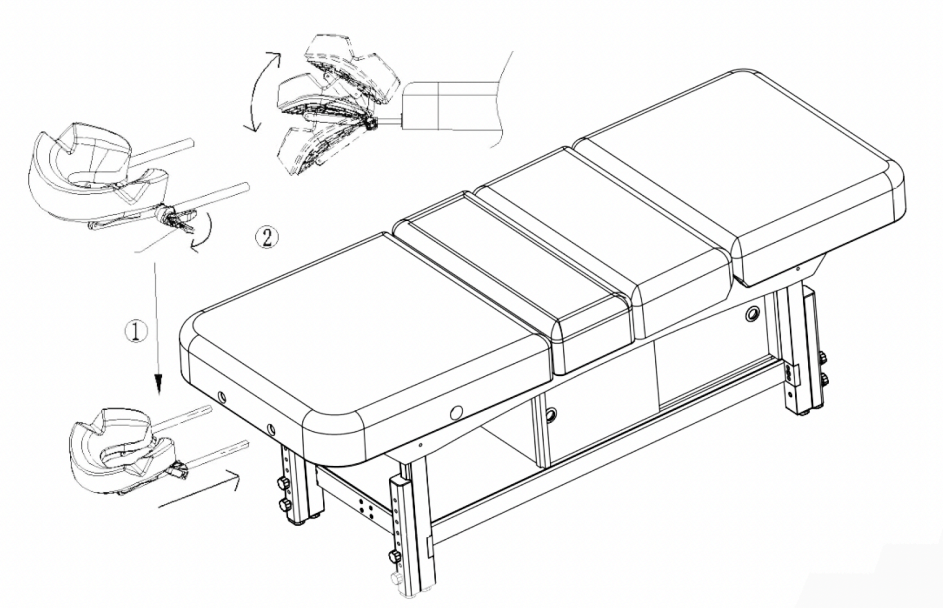

The Cabo Treatment Table is exceptionally sturdy and comfortable. The backrest and leg rest can be easily adjusted with air-gas pump assists on both ends. Beneath the cushions, there is ample storage space for towels, tools, products, and more. It also includes a complimentary face cradle and arm rest, ideal for clients during face-down treatments.

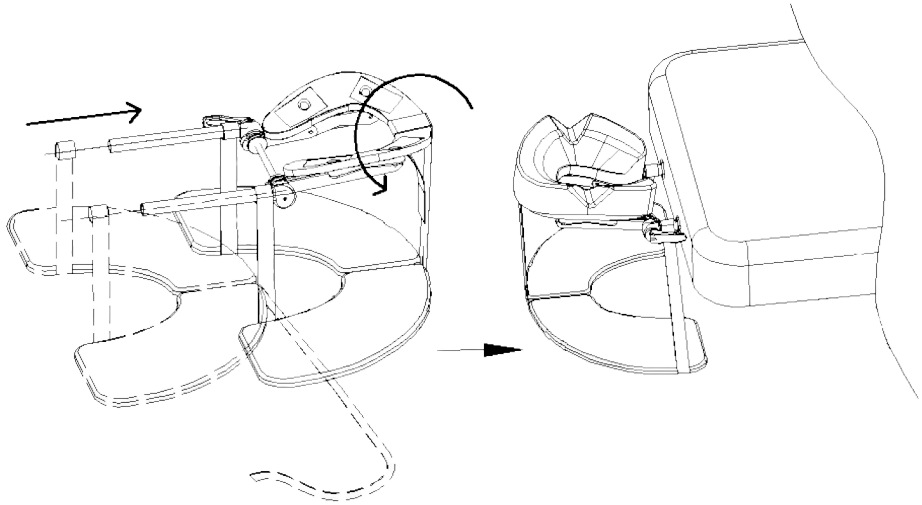

Instructions For Use

The Cabo Treatment Table is exceptionally sturdy and comfortable. The backrest and leg rest can be easily adjusted with air-gas pump assists on both ends. Beneath the cushions, there is ample storage space for towels, tools, products, and more. It also includes a complimentary face cradle and arm rest, ideal for clients during face-down treatments.

Installing the Pillow:

First, loosen the handle on the headrest. Insert the two prongs of the headrest into the two corresponding holes on the bed. Adjust the angle of the pillow up or down as needed, then lower the handle to lock it in place, as shown in the figure below.

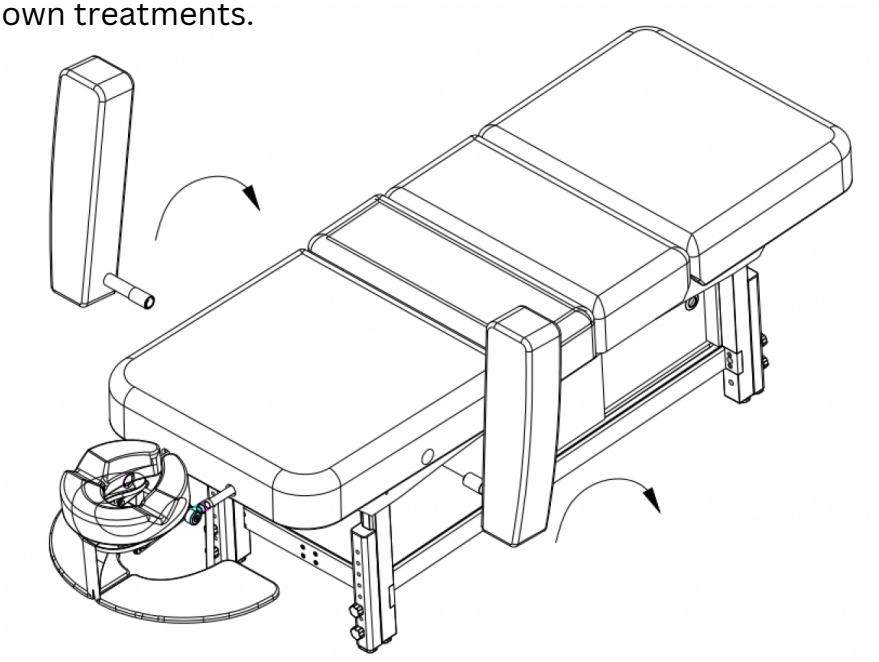

Installing of Hanging Pillow:

First, attach the hanging pillow to the insert pillow, then install it onto the bed for use, as shown in the figure above.

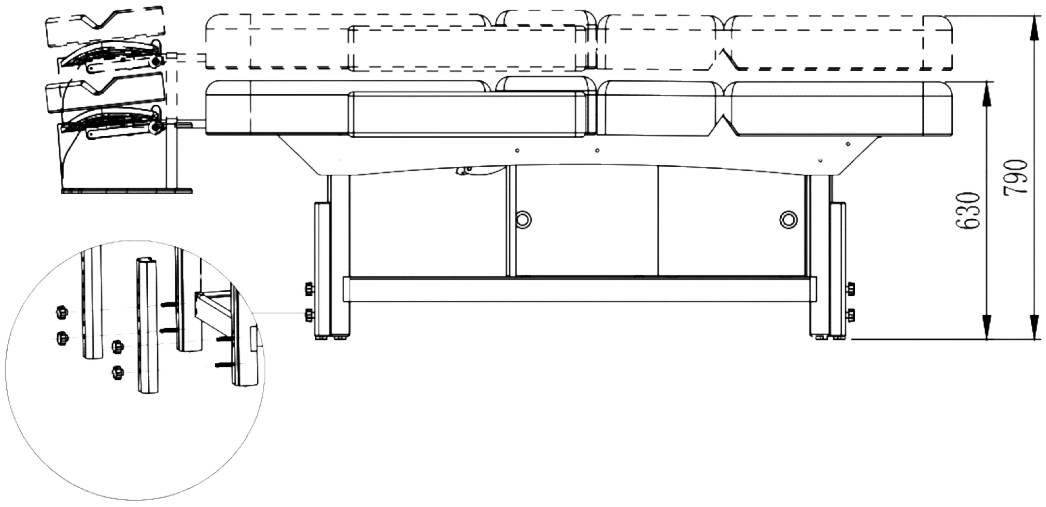

Instructions For Use

The Cabo Treatment Table is exceptionally sturdy and comfortable. The backrest and leg rest can be easily adjusted with air-gas pump assists on both ends. Beneath the cushions, there is ample storage space for towels, tools, products, and more. It also includes a complimentary face cradle and arm rest, ideal for clients during face-down treatments.

Installing Armrests:

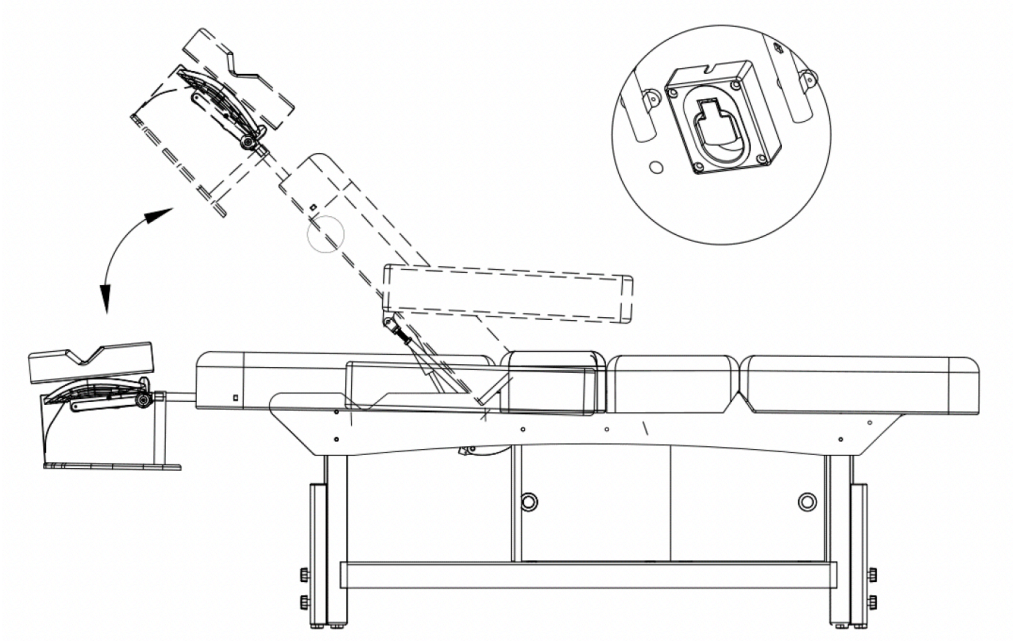

Insert the left (or right) handrail connecting rod into the mounting hole on the left (or right) side of the bed, then turn it clockwise by 90 degrees, as shown in the figure above.

Height Adjustment:

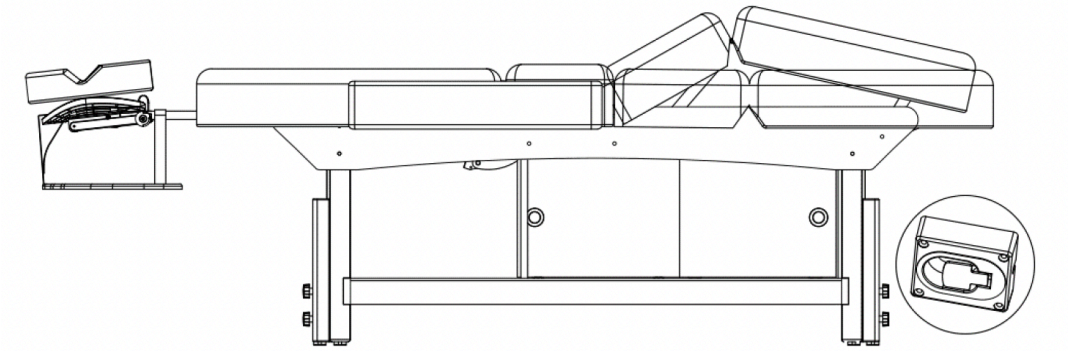

The plum knob allows you to adjust the height of the wooden legs. Please refer to the picture above for guidance.

Instructions For Use

Backrest Angle Adjustment:

1. Pull up the adjuster piece with your hand; the backrest will tilt upward. Release your hand to lock the
angle when the backrest reaches the desired position, as shown in the figure below.
2. To reduce the tilt of the backrest or return it to the horizontal position, pull up the adjuster tab with your
hand while pressing down on the backrest, as shown in the figure below.

Footrest Tilt Angle Adjustment:

1. Pull up the adjusting piece of the adjuster with your hand; the footrest will tilt upward. Release your
hand to lock the angle when the footrest reaches the desired position, as shown in the figure below.
2. To reduce the tilt of the footrest or return it to the horizontal position, pull up the adjuster tab with your
hand while pressing the footrest downward, as shown in the figure below.
